SHINING STAR

EUGENE BRAVE ROCK

He was a stuntman on *Bury My Heart at Wounded Knee*, a stunt trainer for *The Revenant* and the proud recipient of the title "The most-killed character" in AMC's *Hell on Wheels*. Now comes news that Eugene Brave Rock is the mysterious Native American character known as "The Chief" in the highly-anticipated *Hondo* movie to be released June 2017. Indian country has been buzzing for weeks over a year after he appeared in several stills standing next to Wonder Woman. So, is The Chief a superhero skin to the classic comic book character Apache Chief? Or just a hero? Or just a regular guy? Brave Rock has to say none. "I am only allowed to say I was in London for five months filming *Hondo*. That is all I am allowed to say."
